

Time Wizard

The story of how improving a 30-minute task gave **3.5 weeks per year back** to a company and how it will generate an **additional $175K** in revenue for them.

Clear Simple

Getting You Back to What You Do Best

IT'S AMAZING HOW SUCH A SMALL CHANGE CAN HAVE A HUGE IMPACT.....

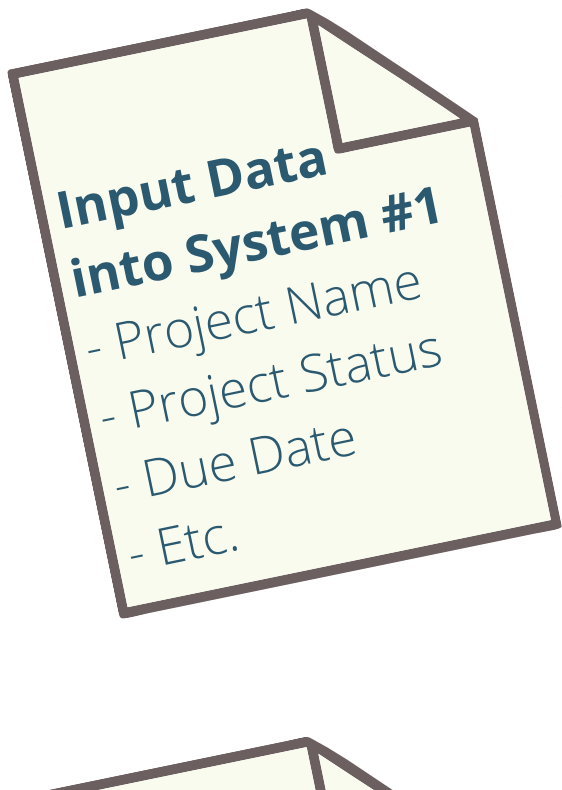

IT FELT SILLY HAVING CLEAR SIMPLE BUSINESS WORK ON SUCH A SMALL TASK.....

HOWEVER, THIS TASK DROVE US ALL CRAZY WEEK AFTER WEEK.....

OWNER, GENERAL CONTRACTOR
MINNEAPOLIS, MN

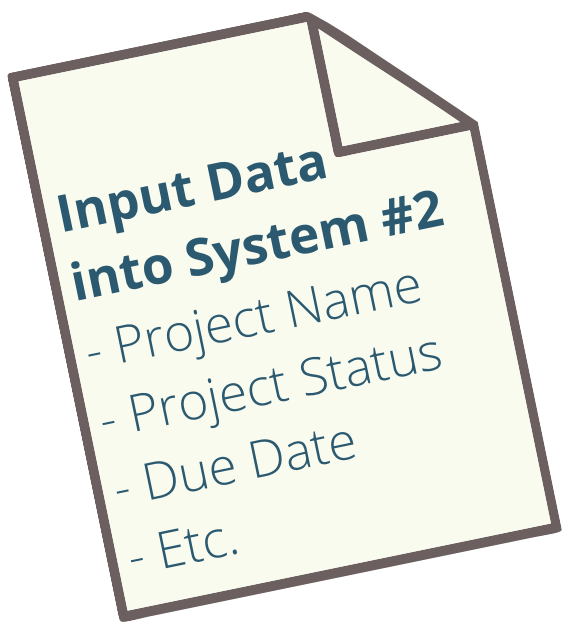

In the beginning

Their process looked like this:

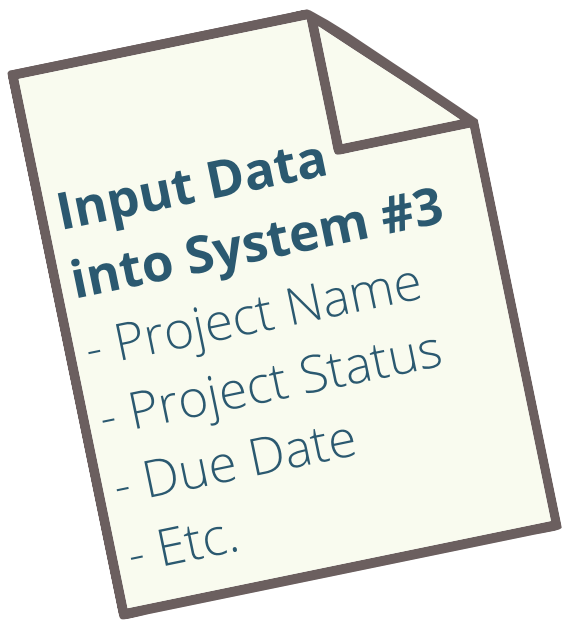

Project Number Generated

Cost Codes Identified

Weekly Meeting Report Manually Generated

Bidding Cover Sheet Created

The exact same information was being put into **3 separate systems**, and manual outputs were generated

Our Solution:

Weekly meeting report automatically generated

Business leader and PM level reports created and automatically generated

1 System
1 Source of Truth
- Project Name
- Project Status
- Due Date
- Etc.

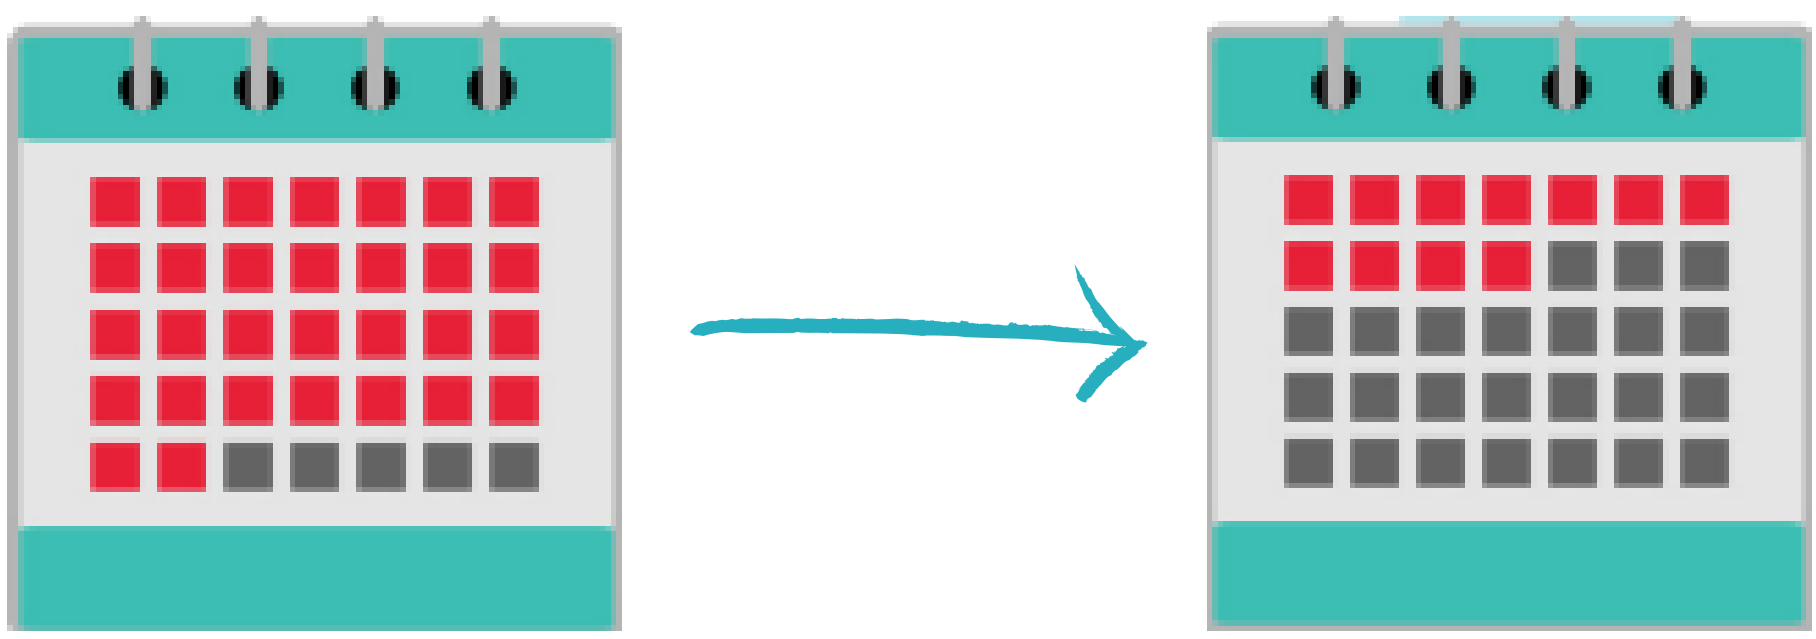

Bidding Cover Sheet automatically generated

For bids that are won: upload file for project management software automatically formatted

Our Impact

Original Process:
8 PMs, 30 minutes per week

Our Solution:
8 PMs, 10 minutes per week

5.2 Weeks per year

1.7 Weeks per year

That's a time **savings of 3.5 weeks a year**,

and

a **cost savings of $27.7k** a year in payroll dollars!

What could your business do with an extra 3.5 weeks????

This company is going to use that time to bid more projects, which will create an additional $175-200K of revenue.

This is just a 30 minute per week process. Imagine what can be done with a larger process.....

Want your 3.5 weeks (or more) back??
